

Become a **MEMBER!**

A national association dedicated to educational office and support professionals.

Mission: *To provide professional growth through leadership, education, achievement, recognition, and networking opportunities for educational office and support professionals.*

When you join NAEOP, you are joining a national association dedicated to the educational office and support professional. NAEOP's leadership is actively working in educational offices across the nation. They are working in our schools, state departments, and institutions of higher learning.

At our national conference, you will have the opportunity to participate in sessions to facilitate your networking with educational office and support professionals in your specific area of work. In addition, members belong to a geographical area that provides learning and networking opportunities. Our Area Directors and Council Chairmen communicate throughout the year using quarterly emails, NAEOP social media sites, and our website - www.naeop.org.

Our Professional Standards Program, a multi-level professional certification program, is recognized by local districts, state education departments, and higher education institutions across the country. This program culminates with earning our highest distinction, Certified Educational Office Employee (CEOE) or Certified Educational Support Employee (CESE).

As a NAEOP member, you have the opportunity to leverage your skills and talents for roles on committees or elected positions and participate in local community activities and volunteer opportunities. NAEOP offers you numerous opportunities to develop both personally and professionally.

Join us to learn how you can make a difference.
