If you are not a member and are considering joining, I encourage you to continue to explore the NAEOP website. A few of the benefits of membership are:

- Four electronic issues of the association's magazine, *NES Connector* (Paid subscribers will receive a printed copy in the mail)
- Professional Standards Program (PSP)
- Reduced conference/institute registration fees
- Student scholarships and member awards programs
- Networking with educational office professionals and affiliates associations nationwide

This year as the Northeast Area Director I have been asked to be the chairman for the Advisory Council committee, as well as the chairman for Affiliations.

Let's all join President Lisa Morehouse, CEOE as we "Accept the Challenge – Become the Difference." By recruiting new members, serving on committees and helping wherever needed we can all "Become the Difference" for this organization.
