

## South Central Area

**Welcome to the website for the South Central Area representing the great states of Colorado, New Mexico, Oklahoma and Texas**

It is my pleasure to once again be serving as your Area Director and as chairman of the 2017-2018 Nominations/Elections & Special Projects Committees. I'll be sending emails during the year to keep you-current on events, deadlines, and changes within NAEOP and SCAEOP.

Remember to pay your NAEOP 2017-2018 dues! Membership forms can be found on the NAEOP website.- I encourage you to recruit a co-worker or friend to sign up. If you are a paid NAEOP member within Colorado, New Mexico, Oklahoma or Texas, you are automatically a member of the South Central Area.

However, you also have the advantage to become a member of the South Central Area Educational Office Professionals (SCAEOP) by completing a membership form and paying dues of only \$10 per year. (More information will be coming soon on the benefits of being a SCAEOP member.) A history note: The South Central Area members at the summer conference area meeting voted in 2011 to become an affiliate of NAEOP and to do this, we would need to have a paid membership. By becoming an affiliate of NAEOP we now have a voice and a vote at the Advisory Council Meeting held during the summer conference.

President Lisa Morehouse has chosen for her theme this year, “**Accept the Challenge – Become the Difference.**” I encourage you to participate in any professional development opportunities in your local, state or national workshops or conferences and use what you learned to make a difference in your life and the staff and students you serve

If you have any information from your local or state on upcoming workshops, seminars or conferences, please email me the information and I will include in my email messages to all SCAEOP members. Feel free to contact me if you have any questions.

Deborah “Debbie” McFadden  
South Central Area Director  
Nominations/Elections & Special Projects Chairman
