

**NAEOP Administrative Council**  
**Georgette Council, CEOE**  
**2017-2018 Chairman**

Welcome to the Administrative Council page. This page is dedicated to providing resources for you, the members of the administrative council. The administrative council is comprised of educational office professionals who work at the district or central office level across the nation. I am hopeful that you will utilize the information provided on this page and on the NAEOP website to continue your personal and professional growth so that you will embody President Morehouse's theme of "Accept the Change, Become the Difference."

I am also hopeful that you are already a 3D member of your professional associations, meaning you are a member at the local, state and national levels. If you are not, perhaps that can be one of your goals for the year. You cannot make a difference if you are not involved and being an active member of your associations gives you the opportunity to make a difference in the lives of your colleagues near and far as well as to the students we all ultimately serve.

As a member of the administrative council, we fall under the direction of NAEOP Vice President, Jill Averyhart, CEOE. Mrs. Averyhart oversees the Membership Committee. The membership committee initiatives this year will be very exciting and as members of the administrative council, Vice President Averyhart is looking to us to take the lead in helping her achieve her goals. I will be sharing additional information on this as the year goes on.

Remember to share the benefits of membership with your colleagues and follow NAEOP on our social media platforms, Twitter, Facebook, LinkedIn and Pinterest. Follow the happenings of the administrative council on the NAEOP Blog, participate in local, state, regional and onsite professional development and share your good ideas.

If I may be of service in any way, please feel free to contact me at your convenience. I may be reached by email at [adminCouncil@naeop.org](mailto:adminCouncil@naeop.org) or by phone at (803) 738-3236 or (803) 528-7164.

I am looking forward to a fantastic year as together we "Accept the Change, Become the Difference!"
